Solutions

Solution

Wind Solar Hybrid Streetlight

Solution

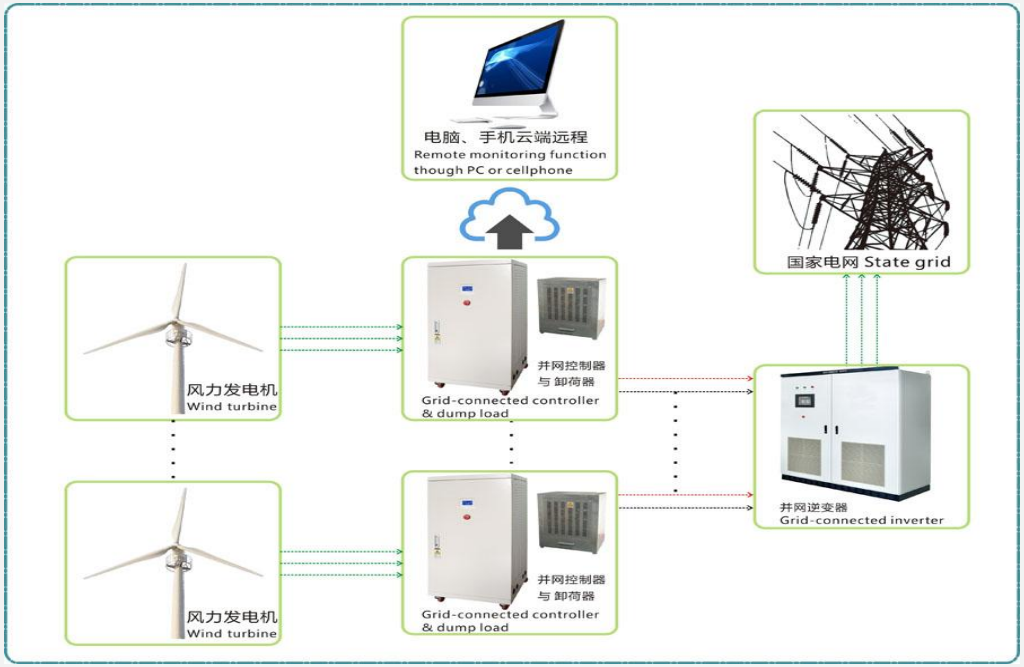

Wind Solar Hybrid Monitor

Solution

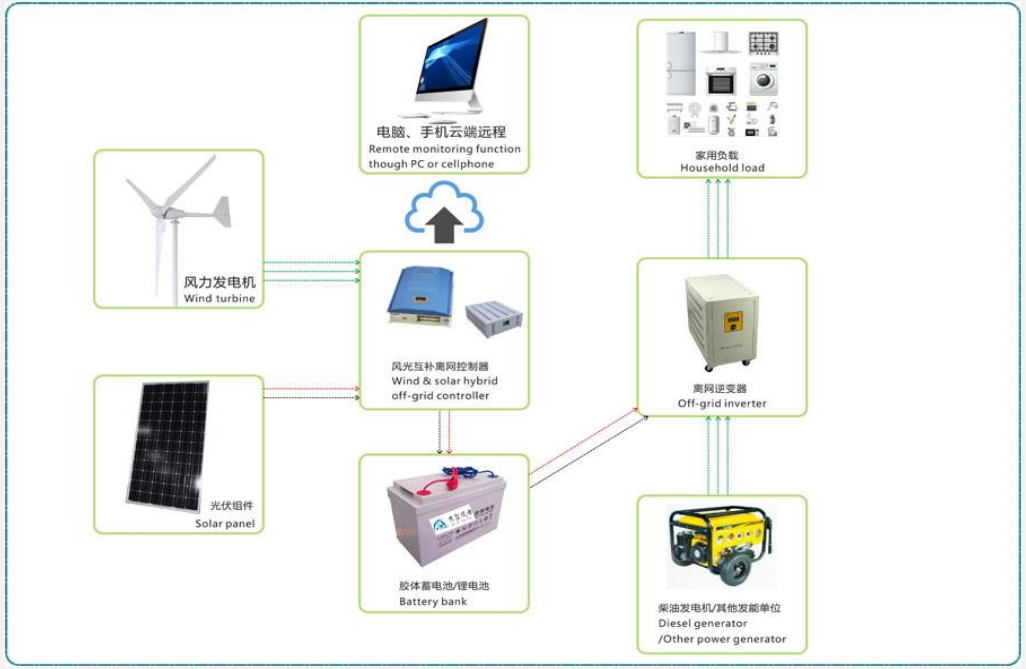

Wind Turbine On Grid System

Solution

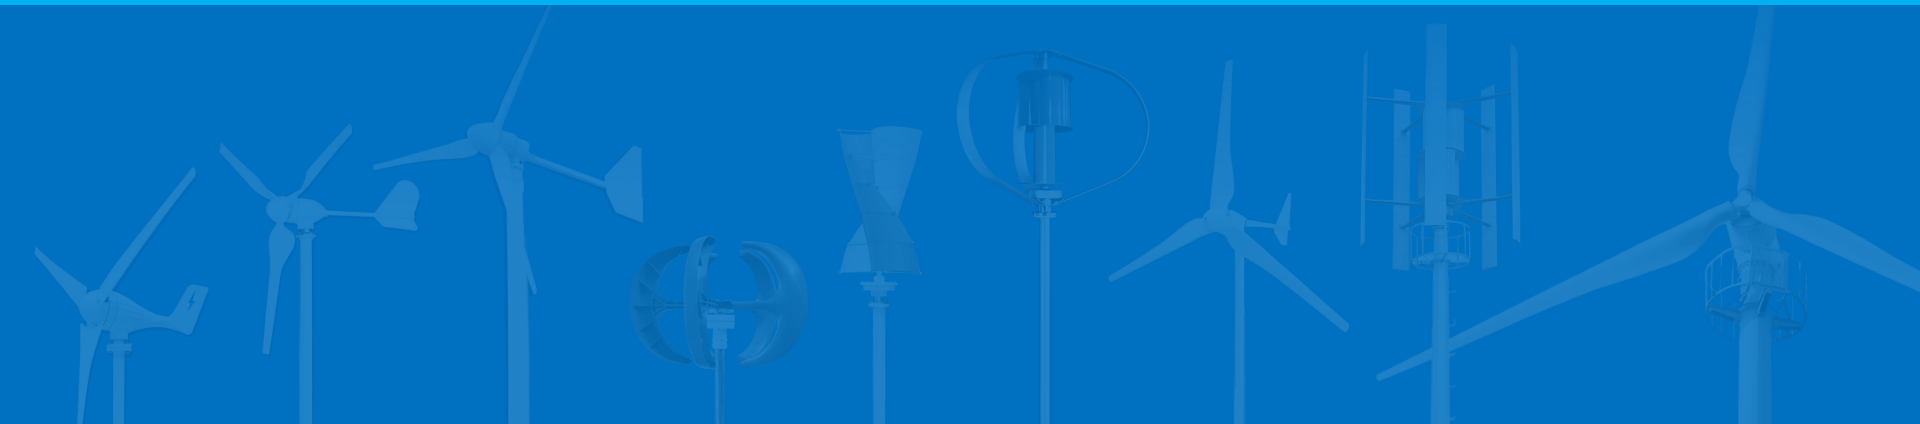

Wind Solar Hybrid Off grid system

04

Projects

Export Trade

200kW

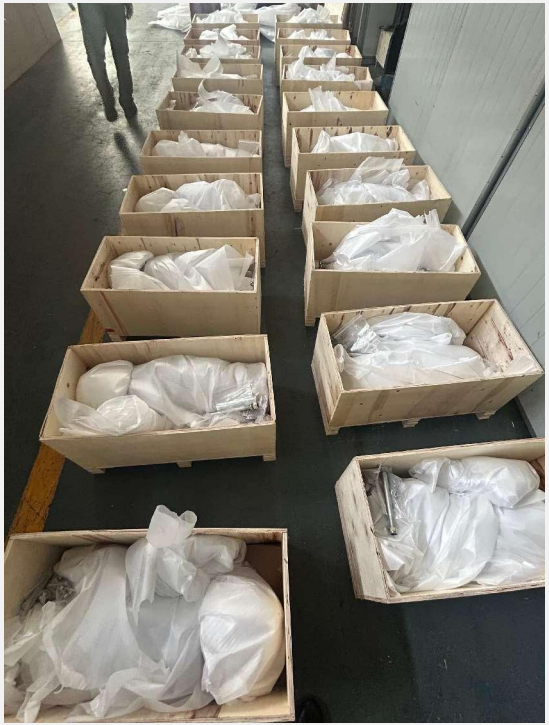

100kW

Export Trade

3kW

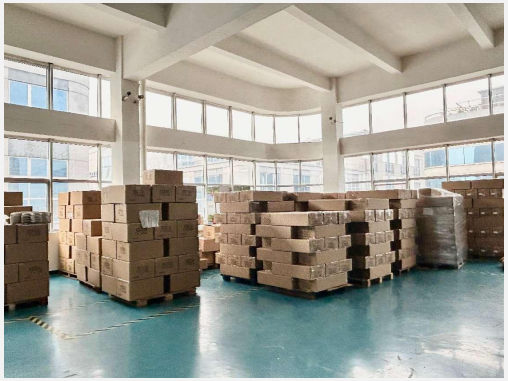

5kW

Export Trade

1-3kW

Industrial park/Road:

5kW

10kW

10kW

Government Projects:

wind solar 50kw hybrid on grid system

wind solar 50kw on grid system in China

Government Projects:

2KW VAWT off grid systen

30KW VAWT on grid system

10KW VAWT on grid system

Industrial Park:

Hebei-30kW

Expressway service area:

Hebei-100kW

Electricity deficient areas:

7.5KW wind solar hybrid off grid system

Government Projects:

20kW HAWT off grid system

5KW VAWT off grid system

Projects

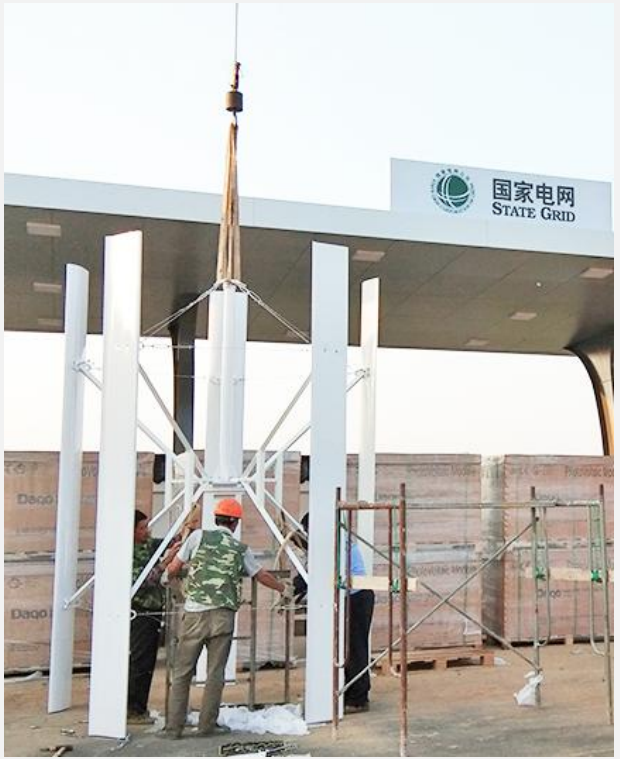

5KW VAWT off grid

3KW VAWT off grid

3KW VAWT on grid

Projects

5KW HAWT on grid system

Projects

5KW HAWT On grid in Zhejiang

Projects

Wind Solar hybrid Street light system

Wind Solar hybrid system

Projects

50kW Off grid system

Projects

50KW on grid in Tibet

Projects

Wind solar hybrid street light

Projects: Wind Solar hybrid street light
